---

## Technical Skills

**Frontend:** React.js, Next.js, TypeScript, JavaScript, HTML, CSS

**Backend:** Node.js, Express.js

**Database:** MongoDB, Neon (PostgreSQL)

**ORM / Querying:** Prisma

**Tools:** Git, GitHub, Postman

**Core Skills:** REST APIs, Server Components, Authentication, Authorization, CRUD, State Management

---

## Work Experience

**Software Developer | Chinar Quantum AI (CQAI)**

**April 2024 – Present**

- Developing and maintaining production applications using **Next.js, TypeScript, Prisma, MongoDB/Neon**, and **MERN** architecture.
  - Implementing secure authentication, role-based access, and data-driven dashboards.
  - Creating full-stack features with API routes, server components, and optimized queries.
  - Collaborating with backend and design teams for continuous product improvement.
- 

## Projects

### 1. EMS – Employee Management System

**Tech Stack:** MERN (MongoDB, Express.js, React.js, Node.js)

A complete employee operations and workflow system for internal use.

#### Key Features:

- Leave application & approval workflow
- Daily check-in/check-out system
- Reimbursement request module
- Leave & activity history tracking

- Role-based dashboards: Admin, HR, Employee

### **Contributions:**

- Built UI components and integrated REST APIs
  - Implemented role-based protected routes
  - Developed leave, check-in, and reimbursement features
- 

## **2. CQAI Website**

**Tech Stack:** Next.js, TypeScript, Prisma, NeonDB.

A full company website built with **Next.js**, featuring a dynamic Career Section and an Admin Panel for managing job applications. (soft Launch Phase)

### **Key Features:**

- Job listings + candidate application system
- Admin login & access control
- Prisma-based schema & database operations
- Neon (PostgreSQL) for structured application data
- Application tracking dashboard for HR/Admin
- Fast server-side rendering using Next.js

### **Contributions:**

- Developed core frontend pages using Next.js & TypeScript
  - Built Actions for job postings and applicant submissions
  - Implemented admin dashboards with Prisma + Neon queries
  - Integrated secure admin authentication
- 

## **Education**

### **B.Tech in Computer Science**

Punjab Technical University | 2016 – 2020

---

### **Soft Skills**

Problem Solving • Team Collaboration • Ownership • Debugging • Adaptability • Continuous Learning.
